

## Disclaimer

Access to the information on this official ENTSO-E website is free.

By registering for access to this website and the information and data contained therein, you acknowledge your agreement with, and understanding of, the following terms and conditions of use and legal information in connection with this website and its contents. If you do not accept the following terms and conditions, please leave this website and its constituent pages.

In particular, you accept to comply with all restrictions in respect of data usage for business purposes.

The version of the data platform to which access is currently available, the 'entsoe.net'-website, and the subject of this notice, is presented by ENTSO-E as a 'pilot' functional development for the express purpose of facilitating constructive feedback from visitors to the website and prospective viewers and users of the information and data contained therein. As such ENTSO-E reserves the right to withdraw or suspend access to the website at any time for the purposes of further development, improvement or correction of the data platform functionality or content. A withdrawal or a suspension of right of access may also be based on illegitimate or unfair use of the data.

Whilst making all reasonable effort to ensure the accuracy of the information and data published, ENTSO-E and the providers of such information and data assume no liability or guarantee in respect of the accuracy, up-to-datedness, reliability, completeness or usability of the information and data. ENTSO-E and the providers of the information and data, do so without warranty of any kind.

ENTSO-E and the providers of the information and data assume no liability in the case (including negligence) of damages or subsequent damages of any kind which occur in any way in connection with the access to or inquiry on the website, or in connection the use of the information and data contained therein. ENTSO-E and the providers of the information and data assume no liability for damages which are the result of the consultation, transmission or downloading of information and data in electronic form including any attachments (e.g. pdf format documents) or the use of electronic web links to such information and data, which are listed on the website. Any use of this website, or any data or information downloaded or obtained by any means whilst using this website, is entirely at the users own risk.

The downloads shall be based on fair use, unproportional downloads (7.5 times more than the average user of the same category) may lead to a withdrawal of the user rights without prior notice.

ENTSO-E reserves the right to alter or remove the content, in full or in part, without prior notice.

ENTSO-E reserves the right to accept or neglect any user at any point of time (for example, by closing a user account).

## **Copyright of ENTSO-E**

This website is presented to you by **ENTSO-E**. All content on this website – i.e. all texts, images, sound files and software accessible from, and including the homepage and the underlying pages – is protected under the copyright laws of Belgium. The content of this website may not be copied and/or altered in any way. Data for further analysing purposes are to be downloaded using the means available at the website. The use of crawlers, robots or similar tools will be seen as offensive and will lead to a temporarily or permanent disclosure of a user/company from the website. **ENTSO-E** strives to provide correct and up-to-date information on this website, but cannot or does not guarantee that all the information is correct, accurate and complete.

If data are used in subsequent publications by the users, the source shall be identified as follows: “entsoe.net – the transparency platform of ENTSO-E”

In any case the limitations described above are to be mentioned (e.g. limited availability or no warranty accuracy).

## **Use of cookies**

In order to improve and accelerate the performance of this website and adjust it, inasmuch as possible, to your preferences, certain data are collected on your usage of the website. This is done by making use of so-called ‘cookies’, i.e. small text files that are automatically placed on your computer by the web page you visit. You can disable the use of cookies by changing the appropriate settings in your browser. However, this will affect the proper performance of this website.

## **Personal data protection**

Persons registering for access to and use of the website will be required to provide personal data for administrative purposes only and for the proper circulation of newsletters and updates on website functionalities inasmuch as existing or available. ENTSO-E will not use any personal data supplied for the above purpose for the above purpose for any marketing or sales activities or release the data to a third party.
